REMARKS

Patentees believe that the above errors are of such a nature as to justify the issuance of a Certificate of Correction. Patentees have enclosed a completed Certificate of Correction Form PTO/SB/44.

The original Request for Certificate of Correction, filed September 12, 2007, contained errors caused by Applicant. Applicant's Deposit Account (InterDigital Communications Corporation, Deposit Account No. 09-0435) was charged \$100.00 for correction of these errors. However, these errors were not corrected by the Certificate of Correction which issued on January 15, 2008. Applicant's Deposit Account should not again be charged as a result of this oversight to correct the aforementioned errors.

Patentees respectfully request that the Certificate of Correction be issued.

Respectfully submitted,

Hoffmann et al.
